

We are very pleased to announce the winner of The Two Unfortunates/Cult Zeros Cryptic Crossword competition which we launched in April. Although it took our co-founder Lanterne Rouge four months to complete a quarter of the puzzle and fellow blogger Lloyd completely unable to answer a single clue, we are pleased that Jamie Upton was far more fleeted in the brain matter stakes – and Jamie is our worthy winner.

A big thank you to Cult Zeros for lending a superb prize from their excellent range of quality gear.
